What should I do in such a case?

Q : I can't find a thesis when I search by the supervisor's name.

A : Graduation theses are transferred from supervisors to the library, so check with the supervisor. If you can't find the thesis even though it should be in the library, please ask the counter.

Q : Why are some theses not allowed to be copied?

A : Only theses whose authors allow photocopying can be photocopied within the scope of the author's permission; those without permission can only be viewed in the library.

Q : How do I use the master's theses in the Chiyoda Campus?

A : Graduation theses, master's theses, and preliminary doctoral dissertations cannot be ordered from different campuses. You must go directly to the Chiyoda Campus to browse them.
